

Something for expectant admirers, buyers and bystanders:

The craft fair will take place on **6/22/2023 (Thursday) and 6/23/2023 (Friday)**. Within it, as in previous years, producers - artisans of folk art products processed with traditional techniques, but also with modern techniques of today, will meet.

Old and traditional techniques will alternate with new ones and the community of producers and sellers will meet the community of admirers and buyers in a typical fair atmosphere.

The time is from **9:00 a.m. to 6:00 p.m.** and the small square by the Urban tower will belong to the craft tradition on Thursday and Friday.

Something for aspiring manufacturers and sellers:

We offer you the opportunity to participate in this event. **We are looking** for manufacturers and sellers of wooden, wicker, textile, clay, wire or any other products made on the basis of traditional production techniques, as well as modern techniques. Manufacturers who produce non-traditional "things" using non-traditional techniques. We also welcome demonstrations of the production of your product range on site and traditional clothing.

Do not hesitate to send your application. The number of places is limited. Sales are possible at borrowed sales counters or at your own stand (only after consultation with the organizer regarding city conditions).
